

40 DAYS OF PRAYER

Eastern Europe Territory | 11 April - 23 May

Day 8 | April 20 | Iasi

Heavenly Father. I come before You today, God, to thank You God that You are with us. You guide our steps and guide us on the right path, and You are always with us for better or for worse, guide us, and God forgives us.

Thank you, God! We know that sometimes we make mistakes and maybe we are not good enough to be Your children. God, but we know that You forgive us even if we make mistakes, and we come to You, God, to tell You all our mistakes, to forgive us and to continue to be with us, God. Please God be with us and protect us God.

God, please God be with all those in trouble, be with them and give them health and strength God. Defend them and help them, God, be with them, both for better and for worse God. God, be with them God, with those in hospitals, God. God protect them and give them health and strength God, help them and give them healing God. Defend them and help them get out of hospitals, to be with their families, God.

We are in a difficult situation now and I know that it is difficult for all of us, God, and for those in hospitals and for those who are outside of them, and we are waiting for our loved ones to come. So please God give them health and healing, and help them come back to their loved ones at home God. Please God!

And God, please God be with the children, God, protect them and give them health God. Guide their steps and lead them on the right path, Lord, give them wisdom and be with them. Help them learn, even if the conditions are more difficult now and it is harder for them to be able to motivate themselves to learn God, and maybe some do not have access to these materials to be able to learn, God. I pray to you, God, to be with all of them, God, and to correct their situation and help us to return to normal, God. Help the children to come back to Your House, God, and go to school to learn God, be good to them and to all of us God. Please God!

And God, please God be with our country, God, be with everyone God, be with everyone and guide our steps and thoughts on the right path God. Defend us and take care of us, God. Be with us for better or for worse and be our guide on the right path, God. Please God! For all this I prayed in the name of the Father, and of the Son, and of the Holy Spirit. Amen!
