

40 DAYS OF PRAYER

Eastern Europe Territory | 11 April - 23 May

Day 13 | April 25 | Didi Digomi

Hello Friends.

Our founder spoke words of battle a long time ago. And indeed, for Christians the present reality is a battle. Every day, every minute of our lives is a battle. We often hear his words from a social perspective, but William Booth understood it's deeper meaning.

"For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places."

The words of Paul recorded at Ephesians 6:12 are a great testament to this. The battle is in you. In your heart, mind, and body. Our enemy Satan, will not simply give up anything. His appetite is increasing day by day. And what is happening around us is a real example of that. Therefore, let us remember that the battle which we as Christians are involved in is real. This battle, that you and everyone go through - is real. Just as real as you and me.

"Therefore put on the full armor of God, so that when the day of evil comes," And remember - the Lord is with you in this battle. With me and with you. Where we are now or where we are going. So - encourage yourself and do not give up. Let me pray.

"Lord Almighty, I thank you for this day, And thank you for being with us in this battle. We ask God to strengthen each of us, to be more active in this battle day after day and let us not give up, but let us be steadfast and strong in this battle, O Lord. We know we have victory in your name, So please bless each Salvationist and Your followers who go through battle. In your name, Amen "
