

40 DAYS OF PRAYER

Eastern Europe Territory | 11 April - 23 May

Day 15 | April 27 | Dubosari

Serve God with everything you can,
We are among the Lord's servants.
For the Glory and in the Name of the Son of God
Serving is easy, tirelessly.

In Service we are equal before God,
No one can be put in front.
Say in prayer: "Here I am, Righteous God,
I want to Serve, but You lead me!

Not an excuse - lack of time,
Leave everything unimportant, do not hide in the shadows,
Serving is not a heavy burden
Live wisely every day.

Serve each other - God commanded,
Serve without running away.
Devoted servant is valued.
Do not have time - always have time.

Freely, not under duress,
Making no attempt to evade.
The Lord will not forcefully push to the Service
And He will not pull by the sleeve.

To work from under the stick will not work.
The careless servants have everything at random.
And who will vouch for the negligent?
A servant like a visiting guest.

By God's bounty, all are gifted,
It's embarrassing to be on the sidelines.
When Jesus was crowned with thorns,
He also served you and me.
