

40 DAYS OF PRAYER

Eastern Europe Territory | 11 April - 23 May

Day 17 | April 29 | Uugheni

Life is full of trials, sorrows and difficult decisions. But even in the midst of trials, please, God, strengthen us and encourage us.

God, help us to overcome our own trials. Help me to be ready to serve the children of the Salvation Army.

God makes us strong in the fight because of the great love. Let us trust You, You are our true source of strength.

Dear God, Joshua was advised to move forward in faith. Help me to move forward with faith by serving to the widows.

God, You have strengthened Joshua's faith. Strengthen my faith so that I can bring others to Jesus.

Lord, You promise that when we turn to You for guidance, we will succeed. Please help me to succeed in youth work.

God, You were with Joshua, please be with me in the ministry for the elders.

God, you promised that we would not be alone, never. Please don't leave me alone in Women's Ministry.

God help me to study Your word, to follow Your example every day. Thus we will face trials with faith.

Lord, the children of Israel have wandered in the desert for 40 years. Joshua was to lead them to the promised land. The Salvation Army from Ungheni wanders for 21 years. God, give us courage and faith that we will reach the promised land.

Amen!
