

40 DAYS OF PRAYER

Eastern Europe Territory | 11 April - 23 May

Day 39 | May 21 | Bacau

Almighty God, in these moments I come before you with praise and gratitude. I praise you that you are the God of love and of all that is beautiful and good.

Thank you for the work of The Salvation Army to which we are called. Be our power and pleasure in everything we do.

I pray now for people who do not receive equal treatment with other people, for those who are discriminated. I pray for the disadvantaged families who have been living in poverty for a long time. A state of poverty, God, that cannot be easily removed.

I pray for low-income families who have so many financial needs to live and have a normal life.

I pray for the children who in the 21st century, God, do not have access to education.

I pray for abandoned children, for children who are defenseless, Lord, and who are deprived of parental love. I pray for families where one parent is both mother and father.

I pray for the elderly and lovely people. I pray for people with disabilities.

I pray God, for those who have special needs and are struggling, God, financially, they are struggling socially, to integrate into society.

I pray, Lord, also for the refugees, who have gone to other countries with their families to have a chance at a normal life.

I pray, Lord, for inclusion, for acceptance, for all this. I know, Lord, that the needs are great, but You are a God, infinitely great.

I pray God, that above these physical needs, to meet someday in heaven with these people.

I prayed, O Lord, in Your name, Jesus. Amen.
