

40 DAYS OF PRAYER

Eastern Europe Territory | 11 April - 23 May

Day 24 | May 6 | Hincesti

Lord God, our heavenly Father,

Praised be You, our good God, through your Son Jesus Christ.

Praised be You, our good God by Your Holy Spirit.

Today we come before Your throne of glory, to bring you worship, glory and blessings.

And You, our good God, may be glorified by our mouths every moment, day, time.

We ask you, our good God, that You hear our prayers and give us answers to them, to strengthen us through Your Holy Spirit.

Give us faith through Your Son Jesus Christ, give us the courage to move forward, tell everyone how great is Your love, kindness, and mercy.

We pray, Heavenly Father, to bless each of us, to bless us from small to big, to fully bless the Salvation Army.

To bless Your church, Heavenly Father through Your Son Jesus Christ, where we gather to glorify You, to thank You, and to tell You that we love You.

Heavenly Father, I pray that today You will give healing to every person who is sick with this virus, to give healing both mentally and physically.

And I believe that everyone will glorify You and thank You, and in faith they will tell everyone, that healing has come from You, through Your Son Jesus Christ.

We thank our good God that You hear our prayers and give us an answer to each one of those we need.

That is why Heavenly Father, we ask you to take care of the sick, the lonely and all those who call on Your name and trust in You.

We ask you our good God, with Your great compassion and mercy, bless us further, that Yours is power and glory and we trust in You.

I prayed in the name of the Father, the Son and the Holy Spirit.

Amen!
