

40 DAYS OF PRAYER

Eastern Europe Territory | 11 April - 23 May

Day 29 | May 11 | Rainbow of Hope

Dear Lord! You are infinitely Wise, infinitely Perfect, Holy God! My praise goes up to You now. I am grateful to You that You made me Your vessel to dwell in me, to live in me. This is a privilege for me, Lord. I thank you that You made me Your instrument to change the lives of people through me, not only earthly life, but also eternal life. I thank You that You have given me the privilege of becoming a conductor of Your Good News to all people on earth.

You, Lord, have made a mighty Army, really mighty army, of which I am a part, and of which many people are a part. And now, Lord, I ask You to arm us with everything we need so that we can fulfill Your command to go and teach all nations as efficiently as possible. Give us the wisdom to understand that each of us is responsible for raising a new generation, that we are responsible for passing on the faith that lives in us. As someone once raised us, help us boldly convey this faith that lives inside.

I praise and thank You, Lord, for every blessing in every day. I thank and thank you for the opportunity to live, walk, see and have fellowship with You. Be glorified, my God, in every day, in every word and in every action. Amen!
