

40 DAYS OF PRAYER

Eastern Europe Territory | 11 April - 23 May

Day 36 | May 18 | Chisinau

Please change our hearts, I ask you
To be like you, God, I want.
After all, I am only clay, you are the potter.
Please sculpture me, Lord, make me like You.

Let's bow our heads now and pray.

Dear Heavenly Father, Great God, I praise and thank You on this day for the opportunity to be in Your House among brothers and sisters in Christ, Lord, and with all the state of my soul, my heart, Lord, to draw closer to You through those words of Glorification that today are heard in these songs, Lord.

I thank and praise You for the fact that You, the Great God, love us so much that You have already answered our morning prayers, Lord. We are in good health here, Lord. I thank You for all the blessings in which Your Church, the Church of the Salvation Army abides today in this day, for in all the Corps of the Salvation Army in all countries of the world, Lord, services are held.

I praise and thank You for keeping those people who have gathered in Your House, Lord, that You keep those people whom You anointed for the Ministry. I thank You, Lord, for their dedication to what they do in front of You, Lord. I thank You for their knowledge, skills, for their patience, for their love towards each of those who today are Your Church here on this earth, Lord.

I thank and praise You for the fact that You, Lord, today give us the opportunity to be and be called Your children, Lord, to worship You in the spirit of truth. And with all my life, Lord, to motivate those around us.

We, Lord, Thy children, we call to worship You in the spirit of truth and we proclaim Thy truths in the lives of others.

I thank You for our Church, for The Salvation Army, for the blessings that are in the life of each of us and those blessings that people in this world receive through The Salvation Army. I thank You for every person who today prays for their relatives and friends. Thank you for those who pray for world peace, thank you for those who today in their prayers remember all our brothers and sisters in Christ, who especially suffer, Lord, because of the oppression that Christians all over the world experience.

Glory to you, Hallelujah that you hear our prayers! Glory, Hallelujah for raising sick people! Glory, Hallelujah for feeding people who are especially in need today! Glory Thee Hallelujah for the protection that each of us has.

I thank and praise You for all the blessings that our Church has today here in our Central Corps. I thank You, Lord, for our shepherds, I thank You for their attitude towards each of us, I thank You for the responsibility that they bear before You, Great God.

Glory to You for the fact that You abundantly bless each of us with the opportunity to communicate, the opportunity to receive Your help and the opportunity, Lord, always and everywhere to glorify the Name of the Great God, the Father, the Son and the Holy Spirit. Amen.
